Alignment with Career Readiness Competencies

Please review the career readiness competencies gained by attending presentations and career fairs/events hosted by the Center for Career & Professional Development. Definitions for each career readiness competency are listed on the following page for reference. The career readiness competencies are established by the National Association of Colleges and Employers.

Common Workshop Topics

| | Career Management | Written Communication | Work Ethic | Critical Thinking/Problem Solving | Global/Intercultural | Teamwork/ Collaboration | Digital Technology |
